

# **HOME INFUSION PROCEDURES / SERVICES GROUND RULES**

The codes for Home Infusion Procedures and/or Services are to be used by non-physician health care professionals. Physicians are to use the home visit codes 99341 – 99350 found within the Evaluation and Management Section.

No Unit Values have been established at the state, regional, or national level as determined from available data resources. All Unit Values are listed as BR; thus, a report must accompany all bills utilizing these codes.

**CONVERSION FACTOR = \$25.00**

## HOME INFUSION PROCEDURES / SERVICES

(CONVERSION FACTOR =\$25.00)

CODE	UNIT VALUE
99601	BR
99602	BR
